

Fall 2024 Fundraising Activities

The Penn-Trafford Soccer Club presents a number of fundraising activities each and every year to help us raise funds for facility improvements. Many people don't realize that the PTSC owns and operates the Bushy Run Soccer Complex independently, with no help from our local government or school district. While participating in our fundraisers is not mandatory, we ask that you please consider participating as the funds that are raised help to keep our registrations costs down.
